

RAJU BHAUSAHEB BHOJANE

B.E. - Computer Science & Engineering

Ph: +91-9356824207

Email: rajubhojane.sit.comp@gmail.com

Pune, Maharashtra, India - 410401

LinkedIn: <https://www.linkedin.com/in/raju-bhojane/>

BRIEF SUMMARY

With a solid foundation in Computer Engineering, I bring a versatile skill set in programming, web development, and cloud computing. Whether working with Java, Python, or other technologies, I'm passionate about contributing to innovative projects that address real-world challenges. I thrive in dynamic environments that encourage learning and growth, allowing me to adapt my expertise to different technologies and tasks. My ultimate goal is to make a meaningful impact through my work and grow into a leadership role where I can drive solutions that help organizations succeed.

KEY EXPERTISE

Java Python HTML5 CSS Bootstrap ReactJS Express.js AngularJS MySQL DBMS MongoDB AWS
Microsoft Azure OOPs Java Full Stack Python for Data Science Data Visualization GIT Github
Effective in working with teams Effective in working with faculty Experience as a Student Coordinator, Team Management
Linear DSA J2Ee Postman API Servlets JSP

EDUCATION

Sinhgad Institute of Technology B.E. - Computer Science & Engineering CGPA: 8.64 / 10	2022 - 2026
Government Polytechnic Pune Diploma - Computer Engineering (Full Time) Percentage : 79.53 / 100	2021 - 2023
Government Polytechnic Pune, Pune Diploma Diploma - Computer Engineering - Computer Engineering MSBTE Percentage: 79.53 / 100	2023
Hutatma Balveer Shirishkumar High School, Pune 10 th MSBSHSE Percentage: 93.40 / 100	2020

AWARDS AND SCHOLARSHIPS

- Industry-Sponsored Scholarship by TATA Capital Limited (Diploma)
- Hackathon Participation Achievement Award
- Leadership Award For Latex Event

INTERNSHIPS

Oasis Infobyte IT / Computers - Software Java Development Intern Key Skills: Databases Team Leadership Core Java Java Github Git Problem Solving Eclipse Data Structures J2Ee MySQL Completed a Java Development Internship (starting 25/02/2024), mastering Core Java concepts (OOP, loops, methods) and implementing a Pizza Bill Generator project to apply problem-solving skills in real-world scenarios	25 Feb, 2024 - 10 Apr, 2024
VowTech IT / Computers - Software Web Development Intern Key Skills: React.js Web Design Express.js HTML5 Problem Solving Javascript Bootstrap Front-End Web Development Github CSS Amazon Web Services (AWS) Node.js MongoDB Git Completed Vow Tech Diploma Internship (16/07/2022 - 04/09/2022), gaining hands-on experience in web development (HTML, CSS, JavaScript, MERN stack) and real-time communication by building a portfolio and a Zoom-like application.	16 Jul, 2022 - 04 Sep, 2022

PROJECTS

Pizza Bill Generator Mentor: Ayush Chaudhary Team Size: 1 Project Link: https://github.com/rajubhojane/Pizza_Bill_Generator.git	25 Feb, 2024 - 15 Mar, 2024
Zoom Website Mentor: Pravin Pathak Team Size: 3 Project Link: https://github.com/rajubhojane/Zoom_Project.git	11 Aug, 2022 - 04 Sep, 2022
Portfolio Mentor: Pravin Pathak Team Size: 3 Project Link: https://superlative-sfogliatella-ba7871.netlify.app/	16 Jul, 2022 - 10 Aug, 2022

ACHIEVEMENTS

- Top Rank in 10th Grade (93.40%)
- Senior Team Leader at WINZERA Private Limited
- Hackathon Participation: Treasure Hunt Round
- Participation in SIH Hackathon

ASSESSMENTS / CERTIFICATIONS

Data Science Using Python Aggregate: 70 / 100 Subjects: Data Science Using Python (70 / 100) Key Skills: <div>Python Programming</div> <div>Data Analysis with Python</div> <div>Data Visualization</div> <div>Statistical Analysis</div> <div>Machine Learning Fundamentals</div> <div>Handling and Processing Data</div> <div>Model Evaluation and Optimization</div> <div>Proctored Exam and Online Assignments Completion</div> Earned SWAYAM certification in Data Science Using Python (July-Oct 2024) with a 70% score, mastering Python libraries (NumPy, Pandas, Matplotlib, Seaborn), machine learning fundamentals, and data analysis techniques under the guidance of Aligarh Muslim University.	
Data Analytics Program Aggregate: 96 / 100 Subjects: Data Analytics Program (96 / 100) Key Skills: <div>Power BI</div> <div>DAX (Data Analysis Expressions)</div> <div>Data Handling and Transformation</div> <div>Excel for Analytics</div> <div>Database Management</div> <div>Business Insights and Decision-Making</div> Completed the Data Analytics Program by Godrej Infotech, Godrej & Boyce, and Centum Foundation (27/12/2024, Pune), gaining hands-on training in data handling, analysis, and visualization under the Godrej DISHA CSR initiative.	01 Jan, 2050
MongoDB Developer's Toolkit Course Aggregate: 91 / 100 Subjects: MongoDB (91 / 100) Key Skills: <div>MongoDB Fundamentals</div> <div>CRUD Operations</div> <div>Aggregation Framework</div> <div>Indexing</div> <div>Data Modeling</div> <div>Query Optimization</div> <div>Transactions</div> <div>Replication and Sharding</div> <div>Security and Authentication</div> <div>MongoDB Atlas</div> <div>Integration with Programming Languages</div> <div>Real-Time Applications</div> <div>Deployment and Monitoring</div> Completed the MongoDB Developer's Toolkit Course, gaining in-depth knowledge and hands-on experience in developing, managing, and optimizing modern applications using MongoDB.	01 Jan, 2050
Advanced Java Aggregate: 90 / 100 Subjects: Advanced Java (90 / 100)	01 Jan, 2050

Key Skills:

- Java EE and Web Technologies
- Frameworks and Tools
- Web Services Development
- Build and Version Control Tools
- Testing and Debugging
- Performance Optimization
- Java Database Connectivity (JDBC)
- Networking in Java
- Amazon Web Services (AWS)
- Applets
- Swing for GUI Development

Completed a six-month Advanced Java Course at VJTech Academy, gaining expertise in building enterprise-level and web-based applications through comprehensive theoretical and practical training.

AWS-DGL-SS-AVKS Course

01 Jan, 2050

Aggregate: 93.33 / 100
Subjects: Amazon Web Services (93.33 / 100)

- Key Skills:
- AWS
- EC2
- S3
- IAM
- VPC
- Amazon RDS

Completed the AWS-DGL-SS-AVKS course by Infosys Springboard, gaining advanced training in AWS cloud computing and practical skills for scalable solution development.

POSITIONS OF RESPONSIBILITY

Student Coordinator

Served as LaTeX Student Coordinator at Sinhgad Techtonic-2024, managing seminar coordination, technical support for LaTeX presentations, and communication between students, faculty, and organizers.

Senior Team Leader At Winzera

Received a Certificate of Recognition as Senior Team Leader at WINZERA Private Limited (March 2, 2024) for outstanding leadership, driving business growth, and contributing to strategic success.

SEMINARS / TRAININGS / WORKSHOPS

Latex Student coordinator Institute Name: Sinhgad Institute Of Technology Lonavala

14 Feb, 2024 - 16 Feb, 2024

Key Skills:

- Understanding of LaTeX
- Overleaf
- Document Structuring
- Mathematical Typesetting
- Event Coordination
- eamwork and Collaboration
- Communication Skills
- Time Management
- Organizational Skills

Received a Certificate of Appreciation as LaTeX Student Coordinator for Sinhgad Techtonic-2024 (14-16 Feb 2024), contributing to workshop coordination, document preparation, technical troubleshooting, and delivering engaging LaTeX sessions.

Cisco Networking Labs Training

26 Oct, 2023 - 27 Oct, 2023

Institute Name: I-Media Baner

- Key Skills:
- Networking Devices Configuration
- IP
- Routers
- Switches
- Hubs
- Firewalls
- Access Point
- TCP
- UDP

Completed hands-on Networking Devices and Labs Training at i-Media, Baner (27/10/2023), gaining expertise in configuring routers, switches, firewalls, and VLANs, troubleshooting real-world network scenarios, and mastering protocols like DHCP, DNS, IPv6, OSPF.

Amazon Web Services 4-Day Workshop

16 Oct, 2023 - 19 Oct, 2023

Institute Name: Brain O Vision

Key Skills:

- AWS
- EC2
- S3
- RDS
- Elastic IP
- VPN
- IAM
- Deployment
- Ubuntu
- Bitnami
- Bucket
- CloudWatch
- VPC
- Billing and Cost Management

CO-CURRICULAR ACTIVITIES

- LaTeX Student Coordinator for Sinhgad Techtonic-2024
- Hackathon Participation
- Tech Fest Volunteer
- IIC Team Documentation and Event Reporting (SIT Lonavala)
- Ragging Awareness through Learn and Earn Scheme (SIT Lonavala)

EXTRA CURRICULAR ACTIVITIES

- Tech Talks & Seminars
- Public Speaking & Debates
- Technical Workshops
- Hackathon Participation

- Hacktoberfest Participation (2023 & 2024)
- Industrial Visits (I-Media, Baner (27th October 2023))

PERSONAL INTERESTS / HOBBIES

- Reading
- Traveling
- Cooking
- Watching Movies and Documentaries
